Charleston Rules – American Mahjong

First Charleston

- Pass 3 tiles to the right
- Pass 3 tiles across
- Pass 3 tiles to the left

This is often referred to as Right, Over, Left or ROL

Any player can then stop the Charleston

If the Charleston stops, players may still participate in a courtesy pass with the person across from them.

If all agree to continue, the Second Charleston occurs.

Second Charleston (Reverse)

- Pass 3 tiles to the left
- Pass 3 tiles across
- Pass 3 tiles to the right

This is often referred to as Left, Over, Right or LOR

Courtesy Pass Exchange

Across players may simultaneously exchange 0–3 tiles.

Keep in Mind

Jokers may NOT be passed during the Charleston or Optional Exchange.

Stopping the Charleston

You can stop the Charleston after the first left pass.

Announce your intention to stop; if anyone picks up their second left pass, it is too late to stop.

Blind Pass

During the last pass of each Charleston, a player can pass tiles face-down without looking at them.

Quick Gameplay Reminders

Wall setup: 152 tiles, 19 stacks of 2 high per side

Walls: clockwise

Turn order: counterclockwise, East begins with 14 tiles
