SIGNATURE COLLECTION

Stock On Hand

The Signature collection is often considered as the flagship range from Charlie Bears. Each Signature character is individually handmade using only the finest of plush materials.

These characters are highly sought after by our collectors due to their exceptional quality, exquisite detailing and their limited availability. They often feature guest artists to help create this collection so there is something new for collectors to explore from the Charlie Bears portfolio every year.

They are suitable for ages 14 years+. Each character is accompanied by a numbered limited edition certificate and a drawstring Signature collection cotton bag.
